

## JOB DESCRIPTION

### Nutritionist

#### MAIN PURPOSE

To provide a critical role as Nutritionist, working as a key member of the Southwark community-based Weight Management Service. This service includes weight management services for adults and children.

The post holder will:

- In line with NICE guidance, be responsible and accountable for the delivery of high quality, evidence-based nutrition advice for adults & children seeking weight loss interventions in one to one and group settings, within the Tier 2 Weight Management Service.
- Working as part of a multi-disciplinary team (MDT), provide expert advice and support, to ensure excellent patient healthcare and contractual outcomes.
- Play a pivotal role within an innovative, forward thinking and dynamic multi-disciplinary team and service in Southwark.

#### SUMMARY OF RESPONSIBILITIES AND DUTIES

Responsible and accountable for:

- Keep accurate records and written reports, ensuring patient personal information is recorded in accordance with Everyone Health's and Local Authority policies; Caldicott Guardian, Information Governance, GDPR regulations, Data Protection and Data Sharing compliance.
- Assist the development of continual service improvement and client/patient-centred services in accordance with participant feedback, NICE guidance, national and local recommendations, professional competences and Everyone Health's policies and procedures, ensuring the service is delivered in line with CQC and HSCIC's regulations.
- Be compliant with all relevant policies, procedures and guidelines; including the appropriate code(s) of conduct associated with this post; maintain awareness of safeguarding issues, report and acting on concerns in accordance with Everyone Health and Local Authority policies and procedures.
- Ensure the safety of all patients by undertaking: risk assessments, health and safety checks, equipment checks etc., as directed by the Service Manager, National Manager and Clinical Lead. Respond to any relevant clinical / colleague issues / incidences to manage a mitigate risk and maintain best practice.
- To be responsible and accountable for achievement of relevant contractual targets including referrals, uptake, completion percentage targets and effective outcome measures, through delivery of high standard nutritional care.
- Actively participate in community engagement to ensure services are delivered efficiently and effectively, targeting priority groups to ensure the successful recruitment and retention of patients within the service.

- Take responsibility for own CPD and synthesise new knowledge into the development of your own practice, participate in training and continual professional development as required; recognise and work within own competence and professional code of conduct as regulated by professional body.
- To work within the requirements of the 6 C's: care, compassion, competence, communication, courage and commitment.
- Ensure that commitment to equality and diversity is reflected at all stages of project planning, delivery and evaluation, in line with agreed service standards.
- Support in administrative duties related to the patients where necessary, for example letters to referrers, follow up phone calls, motivational text messages as required.
- Be an ambassador for Everyone Health, promoting the weight management and other Services to members of the public and other stakeholders/ partners, where appropriate.
- Contribute to the growth of Everyone Health by working collaboratively with Managers/colleagues to develop and have some responsibility for an expanding portfolio of services and products.
